

AADI PALNITKAR

· aadipalnitkar96@gmail.com · LinkedIn: Aadi Palnitkar

EDUCATION ~

- Bachelors in Computer Science – University of Maryland, College Park | 2022 – 2026

WORK EXPERIENCE ~

- Created and designed a website for a hospital using HTML & CSS > <https://github.com/apalkk/Zephyr-9.github.io> (soon to be shifted to irlanursinghome.com).
- Created a functional database system for a small business using MySQL and Flask locally on a PC.
- Created and designed my personal website aadipalnitkar.info.

PROJECTS ~

- Created a calculator using HTML, CSS & JavaScript.
- Created a rudimentary messaging web app with FastAPI and a JSON file for a database.
- Built a family tree using MySQL and used Tkinter as a GUI to display the data.
- Analyzed this(<https://www.kaggle.com/datasets/datasnaek/chess>) dataset using keras, sklearn, numpy, pandas, matplotlib and other libraries in Google Colab.
